2nd SA WEEDS CONFERENCE

The WMSSA invites everyone with an interest in weed management to the 2ndSAWC, which will be held at the Plant Research Centre, SARDI, Waite Campus, Adelaide, 18-19 May, 2010. Following on from the popular 1st SAWC in October 2008, the WMSSA looks forward to your participation at the 2nd SAWC. The WMSSA aims to cater for all aspects of weed management in South Australia. Areas covered in the diverse program include:

- weeds in a range of SA ecosystems, from aquatic through temperate to arid systems,
- weeds in natural, agricultural and pastoral ecosystems,
- mining, tourism and urban weed issues,
- Aboriginal cultural and economic weed management issues,
- scientific weed research projects,
- alerts weed problems,
- community group, ranger and NRM region weed activities,
- building partnerships in weed management,
- State NRM goals and Commonwealth Caring for our Country goals,
- technical advances towards weed management,
- community engagement,
- climate change and weeds,
- restoring weed degraded ecosystems,
- monitoring progress,
- presentation of SA weed management and travel awards

The Conference is a fantastic opportunity to catch up with your SA weed colleagues and make new acquaintances - especially over dinner at the Edinburgh Hotel.

On behalf of the WMSSA executive committee, we look forward to seeing you in May.
